
NCCP EVALUATION CHALLENGE – NATIONAL TEAM ATHLETE

Gymnastics Canada provides an opportunity for current and retired Canadian Senior National Team athletes who are actively coaching to 'challenge' evaluations, so that instead of taking the required courses and then completing the evaluation, the coach proceeds directly to the evaluation.

Former National Team athletes must apply for the opportunity to challenge an evaluation. The applicant must be a previously carded member of a Gymnastics Canada senior national team, aged 19 or older. Applications will be reviewed by Gymnastics Canada, in order to determine the appropriate level of evaluation to challenge. This will be completed on a case by case basis. Some considerations may be given to special cases.

All applications must include a non-refundable payment in the amount of \$125.00 payable to Gymnastics Canada.

The applicant will be allowed to challenge either the Gymnastics Foundations Evaluation OR the Competition 1 Evaluation, depending on the level of athletes they are coaching.

- Applications must be sent directly from the coach or club to Gymnastics Canada.
- Applications must be written, and must include:
 - Non-refundable fee (\$125.00 payable to Gymnastics Canada)
 - A covering letter from the coach AND the coach's current club
 - An up to date resumé, which must include:
 - ~ Name
 - ~ Date of Birth
 - ~ Current address and telephone number
 - ~ Brief outline of National Team involvement (dates, profile)
 - ~ NCCP number
 - ~ Educational background
 - ~ Description of coaching experience
 - ~ List of NCCP courses already completed
 - ~ Any other related information
- A minimum of 4 weeks is required to complete the application review process. Following the review, the applicant will receive written notification from Gymnastics Canada as to the outcome. If the application is approved, Gymnastics Canada will provide the coach with an evaluation package and the contact information of a Gymnastics Canada NCCP trained coach evaluator.

Incomplete applications will not be reviewed until complete documentation is provided.
