4.4. Handbook

ACTION: K. Quon to reach out on utilizing the same provincial stream for all provinces.

Board to send a letter for a MAG Program Manager at GymCan. Lack of communication has been frustrating for the Alberta MAG assembly.

The Men's Technical Committee at GymCan should have been communicating things with us better, perhaps reach out to them first.

Age categories for those that lost a year and now have grown etc. we need to be prepared for this issue. Bump each elite category 1 more year due to the lost year last year.

ACTION: K. Quon bring this up with the Western provinces.

D. Boucher, C. Plomp, T. Smith help with Handbook revisions

4.5. Mentorship Program

Challenge to balance regular hours while helping someone else from another club.

Miguel could help out as well

T. Smith isn't coaching anymore so he can help more

After the camp is done stay for an hour or 2 that just has some presentations for further skill development
