Requirement for International Competitions

\*During the interim while we are transitioning from Levels NCCP to the Competition Stream: C1 Trained Coaches (JO 3-7) and C2 Trained coaches (JO 8-9) may access the competition floor at Provincial and Western Championships with athletes in those respective levels under indirect supervision of a Level 2 WAG Certified coach. This temporary certification exemption will expire Sept. 2018. Following this deadline coaches will be required to be certified. Please note: This exemption does not apply to the old Levels system.
